

Whatcom County hired Dawson Construction as the general contractor to execute the 2019 Exterior Envelope Repairs on the County's Courthouse located on Grand Avenue in Bellingham, WA. Construction began on Monday, June 10<sup>th</sup> and is planned to be completed by October 11, 2019. Work to date has mostly been cleaning of the exterior and exploration in preparation of the repairs. The whole project is being executed over four phases. Exterior construction work is beginning with the east elevation, adjacent to Grand Avenue. This work will include Window replacement and repairs, Exterior Insulation Finish System (EIFS) repairs, parapet flashings, joint sealants, and masonry repairs. It is estimated that Dawson will be finished with the East elevation by the end of August and moving to the south elevation by Monday, August 26<sup>th</sup>. The southeast section of the Courthouse roof will be replaced as well beginning in August.
