

**WHATCOM COUNTY OFFICIAL

We the People of the United States, in Order to form a more perfect Union, to insure domestic Tranquillity, provide for the common Defence, promote the Progress and Prosperity of the Union and to secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Dear Whatcom County Voters:

In the November 2005 General Election, Whatcom County voters approved an amendment to the Whatcom County Charter that adds a duty on the Auditor to publish and distribute a Local Voters' Pamphlet for primary and general elections.

We are very excited that this is the first Local Voters' Pamphlet in Whatcom County's history! Inside you will find candidate's photos and statements as well as statements on a ballot issue. Please review the Local Voters' Pamphlet for details regarding voting in the primary, registering to vote, change of address, drop site locations and other important information.

For the first time in Whatcom County we will be using a consolidated ballot for the Primary Election. Court decisions require a "pick-a-party" primary. The system requires you to select a party ballot if you wish to vote for candidates in a partisan office. You can only vote for the candidates of the one political party you select for the primary. Your privacy will be protected; the political party you choose for the primary will *not* go on record. Your opportunity to vote for candidates for non-partisan offices is not affected. Remember, this change applies **only** to the primary election.

If you have not received your ballot fifteen (15) days prior to the election, please call the Elections Division of the Whatcom County Auditor's Office at 360-676-6742 to have a replacement ballot mailed to you. Please help us ensure that you receive your ballot by notifying Elections if your mailing address has recently changed. Feel free to call if you have any questions about the voting process and/or your ballot.

AN IMPORTANT REMINDER: To ensure your vote will be counted, your ballot needs to be postmarked no later than Election Day. If you prefer, you may drop your ballot off at the curbside Ballot Drop Box, 311 Grand Ave. near the Courthouse Rotunda, Bellingham, WA or at the Whatcom County Auditor's Office, 311 Grand Ave., Suite 103, Bellingham, beginning 20 days prior to the election. The curbside Ballot Drop Box and the Drop Box at the Auditor's Office will close at 8:00 p.m. on Election Day. Please refer to the Local Voters' Pamphlet for drop site locations open on Election Day only.

I would like to praise Whatcom County voters for their approval of a Local Voters' Pamphlet. Knowledge empowers you to make informed choices that ultimately shape the future governing of our community, state, and nation.

Sincerely,

Shirley Forslof
Whatcom County Auditor

STEP 3: Mailing Envelope. Place the white secrecy envelope inside the lavender return envelope.

STEP 4: Sign The Oath. Read and sign the affidavit on the back of the lavender envelope.

Accessible Voting Unit

What is an Accessible Voting Unit?

An accessible voting unit (AVU) is federally required. It is equipped with visual and audio technology that allows voters with impaired vision and/or physical disabilities to vote a secret ballot for the first time. The AVU is an accurate and secure way to vote.

Where will the AVU be located?

The AVU will be located at the Whatcom County Auditor's Office, Whatcom County Courthouse, 311 Grand Ave., Suite 103, Bellingham, WA.

When can I vote using the AVU?

You may vote beginning Wednesday, August 30, 2006. The AVU will be available to vote in the Auditor's Office Mon. – Fri., 10:00 a.m. – 3:30 p.m.

The AVU will be available on Election Day, Tuesday, September 19, 2006, from 7:00 a.m. – 8:00 p.m.

Is the AVU secure?

Yes. The AVU stands alone and is not connected to the Internet or an intranet. When a vote is cast the ballot selections are encrypted and stored within the voting unit. The ballot order is scrambled to ensure the voter's anonymity and leaves no connection between the voter and his or her recorded vote.

How can I be sure my vote will be counted?

The AVU displays a paper record of your selections before you cast your ballot. Your secret ballot is electronically stored and it cannot be traced back to you.

Progress not Partisanship

As a former printer, small business owner and Sultan City Councilman, community volunteer and father of two,

We need leaders committed to providing common sense solutions to the issues everyday folks face. The children of the State of Washington have always been my first priority. For 38 years I was a teacher, coach and counselor in public education. Now, my former students are raising families of their own. They are a reminder of how quickly children grow up and become our new leaders in society. Presently, I am chair of the K-12 Education Committee for the House of Representatives. I will continue to fight for a quality education for all our children.

Working with local citizens, I have focused on good jobs, viable agriculture, environmental protection and respon-

sible budgets. I keep an open door and an open mind when dealing with the challenges that my constituents face. Thank you for your continued support.

It is my great privilege to represent the citizens of our area. I am asking you for that privilege again. STATE - Senator 42nd Legislative District

Jesse Salomon

Democrat
State Senator

In talking with thousands of people, I know that you want new and better ideas in the legislature. We need more living wage jobs. Energy, health care, and housing costs are soaring.

We worry about the effects of growth on Whatcom County. The Legislature should tackle these issues. I have the energy and ideas to do that.

As a prosecuting attorney and in building a non-profit that helps homeless youth off the streets, I have worked for years to improve our community. I graduated from Western Washington University and the University of Washington Law School. I worked in Olympia to successfully triple tuition grants for middle and low income students.

As your Senator, I will find workable ways to make health care more accessible and affordable. We need a first class education system so our graduates can compete for family wage jobs. We must investigate why gas prices are higher here, and also develop a local clean and renewable energy industry. I will work to improve the Growth Management Act so it serves our community better. I am absolutely committed to ensuring clean air and water, and preserving open space and agricultural lands. Visit my website at www.votejesse.com.

As your representative, I will continue to stand for property rights, limited government, strengthening the family, and more transportation infrastructure. Since being elected to the State Senate four years ago I have made sure I pursued everything I promised I would do in the Senate: 1) I would work with local businesses to create jobs, 2) remain devoted to public

safety through my work in criminal justice, and 3) work to make healthcare costs affordable and accessible.

I have worked with business organizations to create jobs here in Whatcom County. I also worked hard to ensure INTALCO workers were able to maintain their jobs through tax breaks for aluminum plants. This has saved hundreds of jobs locally.

I have been devoted to public safety by keeping our attention on criminal justice. If we are going to keep our families safe we need to ensure criminals are behind bars. I have worked with law enforcement to strengthen criminal laws making our community safer.

Lastly through my work with the Whatcom Alliance for Healthcare Access and my role as a member of the Health and Long-term Care Committee, we continue to work towards affordable and accessible healthcare.

I consider it an honor and privilege to have served you in the State Senate, and I would appreciate your support for another four years.

Ballot Measure

Proposition No. 1, Whatcom County Cemetery District 1

Shall a tax of Ten Cents (\$.10) per One Thousand Dollars (\$1,000.00) of assessed value (based upon One Hundred Percent (100%) of fair value) to provide Forty Nine Thousand (\$49,000.00) Dollars for operations and maintenance purposes be levied for Whatcom County Cemetery District #1 in 2006, for collection for six years beginning in 2007, upon all taxable property within the District, all as specified in Cemetery District No. 1 Resolution 01-06?

LEVY, YES

LEVY, NO

Explanatory Statement

Proposition 1 is written to provide Whatcom County Cemetery District #1 with funds for the cost of maintenance, repair, grounds keeping, record keeping, and to prevent the impairment of obligations on contracts of the District. The District may use the proceeds during the 2007 calendar year.

The requested amount is ten cents per one thousand dollars of assessed valuation. This amount is proposed in order to raise a total of approximately forty-nine thousand dollars. This tax must be ratified by voters, as it exceeds the levy amount allowed without a vote, as detailed in RCW Chapter 84.52.

Statement For:

We, the Commissioners of Cemetery District 1, feel that a levy is necessary in order to keep up with the rising cost of maintenance, fuel, wages, and insurance and making sure we can develop a reserve for the future. This reserve would be used for replacing the current fencing, putting in a well if necessary in the future, upgrading current mowers, the purchase of additional land or any other major expense that might occur. The sale of cemetery plots do not cover the expense that is incurred every month, so in order to keep the cemetery running smoothly and maintained in the current manner that it is now, we urge you to vote for this levy.

Statement Against:

No Statement Submitted

Statement For prepared by: Candy Roberts, Chairman; Earl Harris, Commissioner; Henry Maleng, Commissioner
